

For those families wishing baptism for infants and young children newly born or yet unbaptized, please be advised that baptism preparation involves three sessions:

1. a meeting with a priest (or catechist) to determine the particular needs of the family and the child
2. a group meeting with the other families about the Sacrament of Baptism itself
3. a home visit with a priest and a catechist

For more information and/or to register, please call the parish office at (250) 388-5571.

It is assumed that the family has a desire for Christian commitment and practices the Catholic faith by attending Sunday mass on a weekly basis. Phone today to discover the possibilities!
